Our Nursery and Reception classes cater for girls and boys aged 3 years to 5 years.

Experienced and well-qualified staff provide a happy and secure environment where each child is given the encouragement and confidence to learn.

Girls and boys benefit from and enjoy the excellent on-site facilities at St Catherine's School. These include a swimming pool and large sports field.

Pupils enjoy:

The Early Years classes prepare the girls for a smooth transfer to our Year 1 class and provide them with the skills they will need for academic success in the future. The boys move on to one of several recommended Prep Schools in the area.
