Issues

Current Issues

Category	Date identified	Details	How identified	Solutions	Documents
Parking	JULY 2013	Reduce the number of car trips made to the school at the beginning and end of the school day (peak times).	We do now run a successful, and parent appreciated, Breakfast Club. This means that the parents can drop the girls off 40 minutes earlier than the start of school day. We also have a very busy After School Club, which is run until 6pm. This has made an impact at our busiest times.	This will be an ongoing solution and continually reviewed. We will keep promoting our BC.	
Public Transport	JULY 2010	We do have good transport bus and rail links. Our issue is that parents are not happy to send the girls without a buddy system.	via parent questionnaire in 2010/2011.	Information flyer to parents inviting them to safe travel evening. To encourage buddy system & car share.	

Local Community	FEBRUARY 2013	Parents of both St. Catherines, Radnor House and external clubs are parking in Grotto Road and not leaving room for neighbours to access their cars from their garages.	Complaints received by both neighbours and Borough.	Change single yellow line to double on both sides. More warden presence. we have checked with the Police about sending staff out to move cars on, to put out cones and signs and we have been told that we are NOT allowed to do this as it is not our land. They advised to tell the parents the situation, but we can not police the area.	
Personal Safety	DECEMBER 2013	Improve safety on the school journey for those walking and cycling.	Continued information to be provided to both the Prep and Senior Students. We are thinking of providing an information night to the parents in the Summer Term.	Possibly information night. Will ask the Borough if they can assist us with this or provide information/materials.

Issues

Resolved Issues

Category	Date resolved	Details	How identified	Action Taken	Documents
Cycling	SEPTEMBER2011	Staff and pupils didnt want to cycle in as there was no where to shower/dress after the ride.	Staff/pupil questionnaire.	Showers available to staff and pupils with changing facilities and lockers provided.	
Cycling	SEPTEMBER2012	Staff and students feel it is very inconvenient to cycle to our site	We now have shower facilities that can be utilised by staff and students. A lot more students are cycling in, but not so much during the Autumn Term.	We have provided facilities.	
Public Transport	OCTOBER 2012	We do have good transport links to the school via rail and bus services, but a lot of parents will not send the children alone. We need to create and improve opportunites for pupils to become independent travellers.	We are continually encouraging the girls to use transport and this is most certainly an on going issue. We do accept requests from parents to match girls up in certain areas and we will be doing this again next term.	Information flyer to parents of Seniors and possibly year 6 to encourage buddy system in regards to travel.	
Other	DECEMBER 2011	Offer School bus service.	Parents said they wanted us to look into and provide this where possible. This was identified from our last questionnaire.	We offered our parents to chance to join Radnor House buses (on certain routes). At the end of the day the parents did not want to pay for this facility. It will be looked into again in 2014/2015.	

Other	JUNE 2014	To offer bus service to pupils	<p>We, in conjunction with Radnor House offered pupils on some routes a bus service, but unfortunately no St Catherine's pupils accepted any places. We have used our Â£1000.00 funding to fully train 2 members of staff to drive our Mini Bus and they do drop girls off after sporting events, thus saving the parents coming back into school. This will be reviewed in another 2 years time.</p>	To review again in 2 years time.
