

ST CATHERINE'S SCHOOL
TWICKENHAM

**Teacher of Science (Chemistry or Physics)
Full Time
To start September 2024**

St Catherine's is a school very proud of its friendly atmosphere, excellent pastoral care and strong academic reputation. Our School Mission captures the spirit of our happy, confident and inclusive community.

We seek an enthusiastic and well-qualified graduate to teach Science, with a specialism in either Chemistry or Physics, up to A Level. S/he will be an inspirational and committed teacher who understands the way to motivate and inspire pupils, and enjoys communicating a passion for science.

The successful candidate will be able to demonstrate excellent planning, teaching and assessment skills, and have high expectations, excellent classroom management, strong pastoral skills and the ability to motivate, encourage and inspire pupils. S/he will be expected to play a full and positive part in the life of the School.

The postholder will teach all sciences at key stage three, and would be likely to teach his/her own science specialisms at GCSE. The post is suitable for an experienced teacher or ECT and we welcome applications from teachers who are also able to teach an additional subject and/or who have other skills and experience to offer.

If you feel you have the experience, enthusiasm and commitment necessary for this post, then we would be delighted to receive an application from you. Please note that only applications on the School's application form will be considered. It is not necessary to send a separate CV nor to complete an application in the TES format.

Applications will be reviewed as they are received so early application is recommended and the school reserves the right to begin the recruitment process prior to the closing date.

**Closing date for applications: Tuesday 19 March 2024, 9am.
Interviews will be held from Wednesday 20 March 2024.**

Please return your application via email to recruitment@stcatherineschool.co.uk
