# Prep Co-curricular Clubs: Autumn Term 2025

# WELCOME

We encourage all of our pupils to take advantage of the many opportunities that are available to them outside of the classroom. Joining clubs enhances overall wellbeing, fosters friendships, and builds confidence through new experiences.

## What is the importance of co-curricular clubs?

Joining a club is not only enjoyable – it also supports your overall wellbeing and mental health. Clubs provide a space to relax, build friendships, and feel part of a wider community. They also help to develop confidence by offering opportunities to try new skills beyond the classroom. Creative and active clubs can be particularly helpful in managing stress and processing emotions.

Above all, clubs serve as a reminder that school life extends beyond academic lessons. We encourage all pupils to explore the co-curricular opportunities available and to consider joining a club that sparks their interest.

## Co-curricular bookings

All co-curricular bookings are completed via the SOCS booking platform which can be accessed through our Parent Portal (My School Portal). If a club is invite only and your daughter has been invited to enrol in it, the club will appear on the dashboard when booking commences.

Please note that, if a club is full, there is a waiting list booking option. If a place becomes available, you will be informed. If you have any issues, please send an email to [portalhelp@stcatherineschool.co.uk](mailto:portalhelp@stcatherineschool.co.uk).
