

ST CATHERINE'S SCHOOL
TWICKENHAM

**Teacher of Physical Education
Part Time/Full Time
To start January or April 2026**

St Catherine's is a school very proud of its happy atmosphere, excellent pastoral care and strong academic reputation. Our School Mission captures the spirit of our happy and inclusive community, and all staff support and nurture school ethos.

Our school has very good sports facilities which include a heated indoor swimming pool, outside tennis and netball courts, and a playing field. The large School Hall is marked for netball, basketball and badminton. The Department also has access to local facilities, including at St Mary's University.

All girls are encouraged to participate in Inter House sports competitions. Pupils also regularly qualify for regional and national school finals and compete in ISA, Middlesex and Richmond Borough Championships. Recent successes include national awards for Gymnastic Acrobatics and swimming, pupils selected for GB rowing training programmes, and significant achievements in football and cross-country.

The selection of sports and fitness activities offered at St Catherine's varies according to year group. Options include health related fitness, swimming, netball, hockey, trampolining, athletics, rounders, badminton, football, cross-country, basketball, tennis, rounders and self-defence. Pupils also enjoy dance and other co-curricular sports activities, and GCSE PE (Edexcel) and A level PE (AQA) are popular academic subjects.

We seek an experienced and enthusiastic person to join our successful PE Department. S/he will teach across the School, though individual strengths and preferences are taken into account, and share responsibility for fixtures, Inter-House competitions and practices. Experience with netball, trampolining, swimming and Academic PE are all desirable; the ability to offer a wide range of sports and skills would also be an advantage.

The person appointed will be expected to play a full and positive part in the life of the school. Therefore an ability and willingness to become involved in, and contribute to, the extra-curricular life of the school is expected. Applicants are asked to state their specific preferences and strengths regarding the wide range of co-curricular activities.

The School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful applicant will be subject to a number of safer recruitment checks including Enhanced DBS, Barred List and online/social media checks as part of Keeping Children Safe in Education, and once in post, receive further training and updates.
