

ST CATHERINE'S SCHOOL
— TWICKENHAM —

Youth Minister
Part Time
Opportunity for immediate start

Welcome to St Catherine's School

Thank you for taking an interest in working at St Catherine's. I hope this job description gives you a good understanding of our ambitious, creative and caring school.

All schools speak of their high standards for pastoral care, teaching and learning, and co-curricular provision and we are also very proud of our record of excellence in these areas. However, what sets St Catherine's apart is our vibrant and happy community; this is a place where pupils and staff feel supported and valued, and where friendship and belonging are everyday experiences.

Working at St Catherine's means being part of a team that puts the girls first, as we seek to bring out the gifts and talents of each individual. We are very proud of our strong exam results and we are also committed to a wide programme of activities and events so that school is exciting, varied and fun. Our dedicated staff enjoy making this possible, whether by encouraging designs for a STEM competition, travelling with the school cast to the Edinburgh Fringe, or simply taking time to listen to the girls. They also support each other, and they take pride in working together to provide the best all-round education for our girls.

I am sure you will enjoy working at St Catherine's and I really look forward to hearing from you.

With kind regards

Johneen McPherson
Headmistress

The Mission and Values of Our School

We are inspired by St Catherine of Siena, who said 'Be who God wants you to be, and you will set the world on fire', to form young women of confidence and compassion, ready for service and leadership in the world. We fulfil our mission through these values:

Community: a place of cheerfulness, dignity and tolerance, where all are welcome

Faith: a Christ-centred school with time for reflection; a culture of gratitude and friendship

Courage: with self-knowledge, resilience and integrity, and a readiness for challenge

Scholarship: where gifts are developed through curiosity, imagination and ambition

Service: commitment to others, to stewardship, and to justice and hope for all

An Outstanding School

St Catherine's School is a Catholic independent Girls' Day School, which draws pupils from a wide catchment area. The site of St Catherine's has been famous since the poet, Alexander Pope, came to Twickenham in 1719. He developed extensive gardens behind his riverside villa and the School is now situated in this garden. In 1992 the School became fully independent and now operates as a charitable trust.

The School enjoys an enviable position next to the River Thames and is only a short distance from the centre of Twickenham. Strawberry Hill Station is a ten minute walk from the School and Twickenham Railway Station, 15 minutes. Both have regular services to London (Waterloo), Surrey, Berkshire and Middlesex.

Approximately 40% of pupils are Catholic, and we also warmly welcome girls from all faiths and none who are in sympathy with the values of School. The School's Christian values and Catholic ethos is offered in an inclusive and open manner, which allows us to help all girls to explore deeper values. This also underpins our excellent pastoral care system and all staff are committed to caring for each and every pupil.

We help every girl achieve her personal best by providing a broad and balanced education within a stimulating, secure and supportive environment. Success is achieved through personal responsibility, high expectations and a close partnership between parents and school. Emphasis is placed on ambition, creativity and resilience, and on the importance of pupil voice, kindness, and service. Since we are a relatively small school the staff know the pupils as individuals and this creates a strong and happy community.

The School is organised into the Preparatory School, Senior School and Sixth Form all of which are located on the same site. On leaving the Preparatory School, most pupils enter the Senior School and most Year 11 pupils join the Sixth Form.

Academic Scholarships are awarded for Year 7 and the Sixth Form. Music, Art, Drama and Sports Scholarships are also available, and the all-rounder Siena Scholarship is awarded for the last four years of St Catherine's schooling.

In the Senior School pupils follow a broad academic and creative curriculum. Most pupils study ten subjects to GCSE A Level and three or four subjects at A Level. Sixth Form pupils can choose from a wide selection of subjects and many also complete the Extended Project Qualification (EPQ).

We attach great importance to a well-rounded education and co-curricular activities play a significant role in the life of the School. Competitive events are held throughout the year and there is a healthy rivalry between the four houses (Bronte, Cavell, Nightingale and Pankhurst). The Duke of Edinburgh Award Scheme is also a popular option. Sports include swimming, netball, athletics, cross country, hockey, football, tennis, gymnastics and rounders, and pupils achieve considerable success at county, regional and national level. Music and Drama also play an important part in the life of the School and all pupils are encouraged to participate in productions, choirs, orchestras, ensembles and concerts.

Facilities are very good and include an indoor swimming pool, multi-purpose hall, playing field, newly renovated ICT suites, and netball/tennis courts. Over the past ten years the School has invested heavily in new facilities, including a Sixth Form Centre, Drama Studio, dining facilities and other teaching areas, as well as upgrading the Science Block and playing field - and new projects are underway.

Scholarships

Academic Scholarships are awarded for Year 7 and for the Sixth Form to pupils of academic promise who will benefit from the opportunities that St Catherine's provides and who will contribute strongly to the life of the school. Music, Art, Drama and Sports Awards are also available, and the all-rounder Siena Scholarship is awarded for the last four years of St Catherine's schooling.

The Curriculum

The Prep curriculum promotes creativity and curiosity and establishes firm foundations for all pupils; specialist teaching enriches the programme and includes French, Spanish, Drama, Food and Nutrition, Music and PE.

Pupils in Years 7 to 9 have a rich and exciting curriculum and pupils generally study ten subjects to GCSE level and three or four subjects to A Level. Sixth Form pupils can choose from a wide selection of subjects and they also have the opportunity to complete an Extended Project Qualification (EPQ).
