

Teacher of History
Full Time/Substantial Part Time
To start September 2026

St Catherine's is a school very proud of its friendly atmosphere, excellent pastoral care and strong academic reputation. Our School Mission captures the spirit of our happy, confident and inclusive community.

We seek an experienced and enthusiastic teacher to help bridge a gap in the Autumn term. The successful candidate will have the skills to ensure excellent teaching and learning, will promote high standards, and show a commitment to pupil progress. Public exam results are very strong, and History is a popular A Level subject.

All members of staff at St Catherine's are expected to be supportive of the aims and ethos of a Catholic school and to share responsibility for pastoral care and the co-curricular programme. Staff are committed to safeguarding principles and health and safety at all times. Staff also ensure good communication with parents, ensure the highest quality and standards of teaching and learning, and encourage all pupils to participate enthusiastically.

If you feel you have the experience, enthusiasm and commitment necessary for this post, then we would be delighted to receive an application from you.

Please complete the School's application form and submit it along with any supporting documents to recruitment@stcatherineschool.co.uk. If you upload your application via the TES platform, you must still send any additional supporting documents directly to the School at the email address above.

Please note CV's will not be considered and we are only able to contact candidates who have been shortlisted.

The School is keen to appoint to this position before the end of term, therefore early application is recommended as applications will be reviewed as they are received.

The School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful applicant will be subject to a number of safer recruitment checks including Enhanced DBS, Barred List and online/social media checks as part of Keeping Children Safe in Education, and once in post, receive further training and updates.
