Senior Co-curricular Clubs: Autumn Term 2026

Welcome

We encourage all of our girls to take advantage of the many opportunities that are available to them outside of the classroom, whether that be extending their love for an academic subject or finding a new hobby or passion.

Joining a co-curricular club

Clubs provide a space to relax, build friendships, and feel part of a wider community. They also help to develop confidence by offering opportunities to try new skills beyond the classroom. Creative and active clubs can be particularly helpful in managing stress and processing emotions. We encourage all pupils to explore the co-curricular opportunities available and to consider joining a club that sparks their interest.

Pupils are supervised by Ms Baker and during breakfast club pupil can play games, do crafting or read, it's completely up to them. Please note that pupils should not arrive before 7.30am for breakfast club.

Staying After School

Pupils are allowed to stay onsite in the Library to complete their homework between 3.45pm and 6.00pm. On Friday's, all pupils must leave site before 5.00pm. If pupils decide to remain onsite, they need to sign in at Reception and then sign out when they leave. Pupils are allowed to be in other classrooms as long as there is a teacher present to supervise them.
